

### Andy Little Golf Society - Results

Stockley Park Golf Club – April 2008

Stockley Park hosted the first Andy Little Golf Society of 2008 and the year seems to have started as the old one finished with Andy Bailey winning on comeback with 35 points. Despite a lot of work being done to the course, it was still in great condition and the weather was very kind to us. As always the food was excellent, so a big 'Thank you' to all the staff at Stockley Park for making the day one to remember.
